

Gr 5 & 6 FAMILY LIFE - INCURSION

Monday 17th July 2017

Dear Parents/Guardians,

Description: Family Life will be visiting us in week 3 and 4 of this term. **We would like every student to attend this program.** The program has been designed to help schools implement particular aspects of the health curriculum including the physical, social and emotional changes at puberty.

The approach used is simple, straight-forward and sensitive. The content of the sessions is age-specific and interactive, using a variety of audio-visual materials, discussion and games. The program respects and supports the role of the family in sexuality education.

This session will give students an opportunity to discuss some of the common physical and emotional changes that young people may experience at puberty.
